SPANNELL HELD FOR THE GRAND JURY IN ALPINE TODAY, WITH NO BAIL PRIVILEGE

Man Accused of Shooting Army Officer and His Own Wife Is Given Almost Secret Preliminary Hearing at Scene of Act.

MUMBLES ENDEARING APOSTROPHES TO CHILD

Little Attention Paid to Legal Proceedings by Hotel Keeper Supposed to Have Killed Two in Jealousy Insanity.

(By Evening Herald Leased Wire) Alpine, Tex., July 27.—HARRY J. Spannell, murderer of a local hotel owner and his wife, was given almost secret preliminary hearing at the scene of the crime yesterday afternoon.

It was announced that Mr. Spannell was held without bail and without his wife's shoulder. He took his seat at the table with his wife, while the two were seated in separate chairs. The two were in full view of the two judges presiding over the trial, which opened in a courtroom above an Alpine hotel which adjoins the scene of the killing.

Mr. Spannell was brought in to the court room in secret because it was felt that he was in the grip of a violent insanity. He seemed to agree to the two officers present and with what was said about the case. Apparently he had little attention in the secret places in the courtroom, but showed great interest in the proceedings.

On his way out Mr. Spannell referred again to his home, referring especially to his home and daughter, now at the home of his son and son-in-law.

The examination was protracted and while the examination of the two persons in the room seemed to have been made to keep the fact of Spannell's presence here a secret, because of the statement said to have been made after the examination, the examination would be continued.

According to the results of the examination, Spannell was found to be a quiet, unassuming and passive youth and boyish in his ways.

A total of 12 men who answered to be Spannell's attorney declined to indicate the defense he would offer.

Before being taken from Alpine Spannell exhibited previous conduct as to allow his daughter full permission to visit him.

SECRET EXAMINATION IS PLANNED THIS MORNING

Alpine, Tex., July 27.—Harry J. Spannell held in confinement with the killing of his wife and his mother-in-law, Mrs. E. Butler of the Standard Hotel, Alpine, while the three persons accused of killing her son were brought here from El Paso for preliminary examination today. It was announced that in order to safeguard the interests of the examinees would be conducted secretly.

Little attention was given to the secret of Spannell's trial because he was classed as a quiet, unassuming and passive youth and boyish in his ways.

Reports from Waco where Spannell formerly lived and from Houston, Tex., his mother having moved to that city, were being passed for his defense.

State Attorney Stader and his associates held a lengthy conference to day with John Holloman attorney for the defense.

Several Injured When New York Trolley Car Strikers Attack a Car

New York, July 27.—The first serious outbreak in the strike of transit workers in the Bronx and Westchester County, started a short time ago, today when a total of several hundred strikers, most of whom were armed with sticks, stones and clubs, attacked a West Bronx trolley car. The car, which was pulled by the conductor, was stopped and the windows were broken. Passengers and conductors were injured.

Intention to extend the streetcar strike to progress here is all but certain. New York, like Boston, is the most important, was announced yesterday, as a meeting of the town of Passaic, the seat of the Amalgamated Association of Street and Electrical Railway Employees of America.
